WEEK

## Meet the Summer Camp Directors

### Natasha Pickett

#### About me :

I have been in the education field as a teacher for 15 years, however, working with children goes further back. I started as a mother's helper by age eleven. During middle school and high school I babysat most weekends. When I was a young adult I would help out at Girl Scout day camp as an aide. Then as an adult I became a leader at day camp. I worked for the UI 13 as a paraeducator for a couple of years while earning my Elementary and Special Education degrees from Alvernia University.

I have been employed at OMPH for the past 13 years, and have taught art, music, 3rd grade, 5th grade, and landed in middle school ELA.

Outside of work I enjoy singing at my church. I love to read and work on crafting projects. I am a mother of three amazing kids - 17, 15, and 7 months. I feel Summer should be a time for children to grow on their own level with reading, playing, and projects. There are many engaging activities to help children continue learning during the Summer.

**Contact me:** npickett@omph.org

### Dave Lombardi, Ed.D.

#### About me :

Welcome to the OMPH 2024 Summer Camp! As one of the camp directors, I am honored to lead this exciting summer adventure for your family. With over 27 years of experience in education and youth programming, I look forward to creating unforgettable experiences that blend fun, faith and personal growth. My background in teaching and public school administration includes working with Deaf/Hard of Hearing children, students with Multiple Disabilities and Supervising Special Education teachers. When I am not coaching basketball or playing golf, I work as an adjunct professor teaching future special education administrators.

From engaging outdoor adventures, sports and creative arts and literature, our summer camp will offer something for everyone to enjoy. Our dedicated and experienced team of staff and faculty are excited to lead the way to a summer of fun.

I invite you to reach out to Mrs. Pickett or myself with any questions or concerns you may have as you consider joining our summer camp family. Together let's make this a summer to remember!
